SALES FEATURES

Equipped with a powerful $\frac{3}{4}$ HP induction motor, this heavy-duty 10 qt. planetary mixer is perfect for foodservice operations in need of a dependable mixing solution. Mix ingredients for baked goods, power through batters, and more. The 3-speed variable control ensures efficiency and versatility. The new integrated countdown timer keeps the mixing process on track while providing ideal and consistent results every time. The gear-driven design with thermal overload protection makes this mixer especially reliable in any commercial kitchen.
